6th Sunday of Easter—May 22nd, 2022

Interpreting Christ's Teachings Today— Fr. Mark Haydu

The passage of Acts in Sunday's readings shows us something about the early Church that we often overlook. Paul, Silas, and the other apostles felt a responsibility to preserve the true doctrine passed on to them. When they understood that certain Christians were teaching demands that didn't come from the Holy Spirit, they corrected that doctrine by sending a letter and endorsing the true interpretation. Even in the earliest Church, there was an evolving hierarchy that interpreted what was God's will for the Christian community. This charism of the proper interpretation of Christ's teaching continues in today's Catholic Church through the pope and the bishops.

Jesus declared to the apostles at the Last Supper that the Holy Spirit would remind them of all he told them. Jesus gave this gift to the Church, and it's something we should value. How often do we search a subject online to learn about it and then trust what a few articles say? Yet, are we as quick to look up what the Holy Father and the bishops say on different subjects in order to be guided by that light?

We are not sheep without a shepherd but have bishops and priests who preach the word of God and lead us toward the truth. When the bishops, in communion with the Holy Father, exercise their teaching office (the magisterium), they help us understand God's revelation in faith and morals. This is the way the early Church developed and the way the Church still lives today.

St. Anne's Pastoral Council
Congratulations to Dean Schmidt the newest member of our parish council by acclamation! We are still in need of one more PPC member, so if you feel called, please contact the office.

Please meet Dean:

My name is Dean Schmidt, and I have attended Saint Anne's Parish for over 30 years. I first attended in 1982-2002, returning in 2011 until now. I am a Student Academic Services Specialist at St. Thomas More College, University of Saskatchewan. As a member of Saints Anne's, I have been an usher, children liturgy teacher, member of the Youth Advisory Committee, member of the Young Adult Ministry Committee, member of a governance committee, participant and organizing committee member for Men's Ministry (That Man is You), a Knight of Columbus, and most recently a facilitator for a Synod group. I would like to be part of the Pastoral Council because our church community is important to me and my family. I believe our Pastoral Council has a unique role in cultivating our parish into the community we aspire it to be. Following my experience in a Synod discussion group, I see several ways our Pastoral Council can be activated to improve communication and transparency, increase consultation with parishioners, and use the model put forth in the Synod process for further discernment on who we are as a parish and where we want to go. I believe my 15+ years of experience in catholic college affairs and 10 years as a president of a non-profit sports organization have provided me with skills that will be assets to serve our Pastoral Council.
