May 28th, 2023–Pentecost Sunday

Look What Blew Into Town-By Sr. Dianne Bergant, CSA

Did it really happen the way the story is told? Who would not give anything to have been there? But maybe we have been there. Maybe we have met people who were so open to the mysterious power of the Spirit of God that they were able to accomplish things they never thought they could. Maybe at times even we, too, have been so moved by that mysterious Spirit. Is it possible that we are mistaken about what is truly mysterious or Spirit-driven? Is it possible that we fail to see the mystery of God in everyday life?

This is not to say that nothing extraordinary happened on that Pentecost day. It certainly did! People who kept a low profile out of fear of facing the same deadly fate as their leader seemed to rush out onto the street and proclaim that leader's mighty acts. What has happened to them? How is such a reversal of behavior to be described? It happens that when something wondrous occurs we often use exaggerated images and superlative language in an attempt to capture the astounding character of the event. To embellish language does not mean that the event was not amazing. It means that it was so amazing that we are at a loss to describe or explain it. We are, after all, talking about the dynamic Spirit of God that can completely change people. This is the same Spirit we received at baptism. Are we open to have it change us?
