More Than Enough -Sr. Dianne Bergant, CSA

Two stories today tell of people hungry for bread who amazingly receive more than enough. In both the first reading and the Gospel passage, a few loaves feed a multitude of people, and there are baskets of leftovers. How did this happen? Did the loaves multiply before their eyes? Did more food drop from heaven? Who of us would not have been thrilled to witness a miraculous feeding like that?

These stories are rich in religious meaning. First, they are meant to show that God meets the needs of vulnerable people—and meets those needs in ways only God can. Second, the surplus bread reveals the overabundance of divine graciousness. God gives us much more than we need. In other words, God's generosity is boundless. Third, these marvels don't just happen out of the blue. They occur through the agency of very ordinary people. In the first reading, it is Elisha's unnamed servant who distributes the loaves. The miracle seems to happen in his very hands. In the Gospel passage, it is the disciples of Jesus—ordinary, questioning people like you and me who gather up twelve baskets of leftovers. Did this event really happen? Of course it did. In fact, these kinds of occurrences continue today. God is continually meeting our needs. God's generosity is always boundless. And God still accomplishes marvelous things in our lives through very ordinary people. The problem is that we often fail to realize this. We sometimes wish to see loaves of bread miraculously appear. ☒
