18th Sunday in Ordinary Time –August 10th, 2025

Live by Faith -Sr. Dianne Bergant, CSA

The story of Abraham is one of extraordinary blessing. However, his story is also one of extraordinary faith. At major points of his life, Abraham had no idea what was in store for him or his family. He was directed to leave his home and become a wandering herder. He was an immigrant in a foreign land, bereft of social support structures. He was promised descendants but waited many years for that promise to be realized. Once he had an heir, he was then told to sacrifice that son of promise without any assurances of a favorable future. Time and again, Abraham was asked to live by faith.

The phrase “seeing is believing” is misleading. It is really an expression of skepticism that means, “I won’t believe it unless I see it.” However, true belief means that we accept something even though we don’t see it, don’t understand it. That is a very difficult way for most of us to live. Yet, live like this we must, whether we are believers or unbelievers, because so much of life is beyond our control or understanding.

So, how do we learn to live by faith? We have something that Abraham did not have. We have his story to encourage us. In that story, we see that again and again he stepped forward in faith, and God brought things together. If God did this in Abraham’s life, surely God can and will do it in ours. We must only live by faith.
