

Prayer requests

We pray for those in our community who are sick, suffering or in hospital; especially those on our list of the sick: may they be comforted in their time of need and be restored to good health. As well we pray for those who have passed away especially *Alfred Issa; & José De Sa* on the 3rd anniversary of death; may they rest in the peace of Christ.

21st Sunday in Ordinary Time –August 24th, 2025

A House Divided -Sr. Dianne Bergant, CSA

Just because you belong to a tennis club does not mean you can play tennis. This might sound like a ridiculous statement. Still, it is important to acknowledge that joining a group and paying dues does not mean that you are an active member. Something similar unfolds in the story that Jesus tells in today's gospel passage. The people who have been locked out claim to be known by the householder: "We ate and drank in your company and you taught in our streets" (Luke 13:26). That may have been true, but evidently it was not enough. As he tells this story, Jesus is making a point for the sake of his listeners: "Enjoying my company and listening to me is not enough." Then, what is enough? Returning to tennis, it is not enough to join a club or even to read a book about tennis. You must play it. For many of us, this would mean a lifelong attempt at trying to learn and perfect our game. But then, that is why one joins a tennis club. Christianity is a way of life; we must live it. This is not to say that doctrines and rituals are unimportant. They are very important, but they are important because they inform and then celebrate the Christian life we live. Here too, it might take a lifetime to learn being a Christian. But then, that is why one is a member of the Church—an active member.
