6th Sunday in Ordinary Time –February 15th, 2026

What's In Your Heart? - Fr. Joseph Juknialis

In the past fifty years, there seems to have been a quiet but noticeable shift in the lived faith of Catholics in the pews. None of it has been officially or formally decreed, though it might very well be the natural unfolding of what the Second Vatican Council was about. It seems to have simply happened, perhaps by the workings of the Holy Spirit. I would highlight four common shifts.

Our faith seems to have moved from a primary concern with doctrine, or what we believe, to spirituality, or how we live out what we believe as people of faith and recognize where God is in our lives.

There is a greater focus on what is in our hearts. This suggests that while actions are important, where our actions originate and what they say about who we are can also be important in trying to understand why we do what we do.

We pray differently. While the rosary and devotional prayer are nurturing to the faith of many, we have also discovered forms of meditation, quiet reflection, and praying with sacred Scripture. Confession no longer seems to be only about reporting the kinds and numbers of sins; it is also about what is in our hearts and how we find themselves relating to others. We confess both actions and attitudes that are destructive rather than moral lists.

It seems that all of this echoes this week's gospel, which focuses on divisive anger, lustful lifestyles, and faking the truth, that is, what is in our hearts.

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care.

When confronted with a life-limiting diagnosis, we can find ourselves in an unfamiliar and even frightening situation. These moments are usually marked by having to make numerous practical decisions surrounding care and support for loved ones and ourselves. More often than not, such decisions require moral discernment through the lens of our faith. We believe in the dignity and sacredness of human life at all stages, from conception to natural death. At the same time, our faith does not demand that life is to be sustained at all costs. As Catholics, our faith in Jesus Christ has much to teach us about living and dying well.

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care is a 4-module workshop designed to help each of us-caregivers, the sick and dying and family members-to find support and concrete assistance.

The next workshop will be held over 2 evenings:

Monday April 27 & Tuesday April 28, from 7:00 pm-9:00 pm. At St Anne's Church 217 Lenore Drive.

Contact Jacqueline Saretsky to register at jsaretsky@rcdos.ca. Or call 306 659-5839. Refreshments will be provided.

Attention all Saint Anne's Parish members:

Funeral Luncheons is a service our parish has been providing to parishioners and families for many years. This service is coordinated through Saint Anne's Council of the Catholic Women's League of Canada. We are in need of volunteers (men and women) to be general helpers in areas such as:

- preparation of the food to be served at the luncheons;
- dishwashers and clean- up crew following the luncheons;
- donations of a variety of items that would be used at luncheons; and
- picking up groceries and meat trays to be delivered to the church kitchen for luncheons.

We are also in need of volunteers willing to be Coordinators at these funerals. Without Coordinators we may not be able to offer this service when requested.

Training will be available to those interested in any of these opportunities. We would be blessed and most grateful for the help!

The Soup and Serve Ministry Event on February 27th will be an exciting and impactful evening for the parishioners of St. Anne's. We are blessed to be part of such a thriving parish and church community, and we hope to continue to build on our already strong foundation by living out our baptismal call to service. This event will provide important information on various ministries available to serve in at St. Anne's; we will have wonderful speakers sharing testimonies of how serving enriches and impacts their faith; we will have representatives from over 40 ministries present to answer your questions and to help you decide where you would like to donate your time and talent. The gifts of our time and talent are especially important to share during Lent, which is when this event will take place. The St. Anne's staff have made it their collective mission in 2026 to enhance parish engagement and build stronger community, and this evening will be an incredible opportunity to do so. Come on out for a delicious meal followed by an inspiring evening. Please feel free to contact the St. Anne's office (sansaskatoon@rcdos.ca) or Kirk Haan (kirk.haan@usask.ca) if you have any questions!
