3rd Sunday of Lent – March 8th, 2026

A Fountain of Life - Fr. Joseph Juknialis

The lovelorn column in the local newspaper shared a letter from someone who felt adrift. She had everything she needed or wanted—a marriage, a job, a home. Yet, she felt there had to be more to life, but she didn't know what it was or where to go. She wondered, Could anyone help me?

Like the woman from Samaria who happened upon Jesus when she came looking for water at the local well, she and the letter writer were both eager for "living water." The woman at the well would no longer need to come each day for her household needs, and the letter writer would have her deeper thirsts quenched. Both wanted something more out of life, not unlike most people at one time or another.

Long before Jesus encountered the woman at the well, the people who were led by Moses through the desert grumbled to him about their thirst, which triggered Moses to grumble to God about the people. The result was finding water in the desert, the most unlikely of places. As a result, they realized that God was taking care of them and that God was ultimately their source of life.

We may decide what will bring new life—a new relationship, a new job, a new home. Yet, just as often, the answer comes from totally unexpected sources: the deserts of our lives. Also just as often, we somehow miss the answer. When we do recognize it, however, we say, "Thanks be to God."

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care.

When confronted with a life-limiting diagnosis, we can find ourselves in an unfamiliar and even frightening situation. These moments are usually marked by having to make numerous practical decisions surrounding care and support for loved ones and ourselves. More often than not, such decisions require moral discernment through the lens of our faith. We believe in the dignity and sacredness of human life at all stages, from conception to natural death. At the same time, our faith does not demand that life is to be sustained at all costs. As Catholics, our faith in Jesus Christ has much to teach us about living and dying well.

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care is a 4-module workshop designed to help each of us-caregivers, the sick and dying and family members-to find support and concrete assistance.

The next workshop will be held over 2 evenings:

Monday April 27 & Tuesday April 28, from 7:00 pm-9:00 pm. At St Anne's Church 217 Lenore Drive.

Contact Jacqueline Saretsky to register at jsaretsky@rcdos.ca. Or call 306 659-5839. Refreshments will be provided.

St. Anne's Bible Study:

Join us from 9:30-10:45 a.m. on Wednesday mornings for bible study! This week we will be looking at Luke Chapter 17. Jesus heals ten lepers, but only one returns to offer him thanks. What are we to make of that?! **If you have never attended before, you are more than welcome to join!**
