4th Sunday of Lent – March 15th, 2026

Coming of Age, Coming of Faith - Fr. Joseph Juknialis

It is said we never become believers before age thirty-five. I don't think there is anything magical about that age. Some in their seventies still have not yet come to be people of faith, and there are those who, at a very young age, seem to have entrusted their lives to God. What the age of thirty-five does say, however, is that most people need to have lived a while and experienced a few ups and downs to recognize there is a power in their lives greater than themselves.

This week's gospel story of the man born blind encapsulates a lifelong journey of coming to see who Jesus is, compressed into a few days. When asked who cured him of blindness, the man first says that the man Jesus did it. Brought to testify before the Pharisees, he says that Jesus must be a prophet. Confronted by the Pharisees a second time, he testifies that Jesus must be of God. Finally, when he sees Jesus again, he calls him Lord, a name for God. The story is a parable of sorts about how we come to have faith, to see with new and different eyes. Faith involves trusting—sometimes trusting an unseen power who feels absent at times— and about surrendering control over our lives to God as we come to see in an entirely new way. It can take a lifetime to begin seeing in such a way.

We also continue to pray for **our candidates and catechumens who will be joining our church this Easter.** That they would give their hearts more and more to Jesus with each day that approaches their initiation. (If you haven't already picked up a prayer card for each of them in the welcome area, please do so this weekend. If you're feeling brave- let them know that you're praying for them!)

On Track for Justice – from father to daughter

Lives in the village of Piquiá de Baixo in Brazil began being disrupted in the 1980s, with the arrival of several polluting industries in their backyard. The villagers formed an association to defend their rights. Flavia's father started the fight, and she picked up the torch.

Last year, after a 20 year struggle, 312 families affected by industrial pollution moved to the new, cleaner, safer village of Piquiá da Conquista. The support of Development and Peace — Caritas Canada's partner, **Justiça nos Trilhos** (JnT), made this relocation possible for 1,300 people.

Learn more about JnT's in our [Mini-magazine](#) and meet Flavia and her daughter Aylla by watching their testimonies at devp.org/lent.

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care.

When confronted with a life-limiting diagnosis, we can find ourselves in an unfamiliar and even frightening situation. These moments are usually marked by having to make numerous practical decisions surrounding care and support for loved ones and ourselves. More often than not, such decisions require moral discernment through the lens of our faith. We believe in the dignity and sacredness of human life at all stages, from conception to natural death. At the same time, our faith does not demand that life is to be sustained at all costs. As Catholics, our faith in Jesus Christ has much to teach us about living and dying well.

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care is a 4-module workshop designed to help each of us-caregivers, the sick and dying and family members-to find support and concrete assistance.

The next workshop will be held over 2 evenings:
 Monday April 27 & Tuesday April 28, from 7:00 pm-9:00 pm. At St Anne's Church 217 Lenore Drive.
 Contact Jacqueline Saretsky to register at jsaretsky@rcdos.ca. Or call 306 659-5839. Refreshments will be provided.

Our St. Anne's Food Pantry is in need of all items. Here is a list if you need ideas:
