Not Just a Walk in the Park. - Fr. Joseph Juknialis

A multiple-choice question: Life is (a) purgatory, (b) a party, (c) drudgery, (d) a maze, or (e) a trial. Many of us might be inclined to answer, "All of the above." Life takes us along many paths, through many fields, and down many blind alleys.

The Camino de Santiago is a hiking trail of about 500 miles that begins in France, makes its way through Spain, and ends at the Cathedral of Santiago de Compostela, where tradition has it that the remains of St. James are buried. Many walk the journey to discover who they are and what their lives are about. Walking ten to fifteen miles a day with little to think about other than one's life tends to turn the hike into a pilgrimage that thousands have made over the centuries for just that purpose. The pilgrimage is arduous, often plagued with rain, blisters, shin splints, and a discovery of how to travel light. But then, such is all of life.

This week's Emmaus gospel recounts a similar journey compressed into one day. Like life, it begins in confusion, is scattered with insights and revelations about what has just taken place, and ends with the discovery that the Lord has been the one walking with them. Faith does not solve one's problems nor eliminate one's difficulties. It does help us understand life and find meaning in the midst of it all, and somehow it brings us to realize that we do not travel alone, making the journey worthwhile and blessed.

Tuesday, Easter Weekday: Acts 7:51—8:1a / Jn 6:30–35

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care.

When confronted with a life-limiting diagnosis, we can find ourselves in an unfamiliar and even frightening situation. These moments are usually marked by having to make numerous practical decisions surrounding care and support for loved ones and ourselves. More often than not, such decisions require moral discernment through the lens of our faith. We believe in the dignity and sacredness of human life at all stages, from conception to natural death. At the same time, our faith does not demand that life is to be sustained at all costs. As Catholics, our faith in Jesus Christ has much to teach us about living and dying well.

Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care is a 4-module workshop designed to help each of us-caregivers, the sick and dying and family members-to find support and concrete assistance.

The next workshop will be held over 2 evenings:

Monday April 27 & Tuesday April 28, from 7:00 pm-9:00 pm. At St Anne's Church 217 Lenore Drive.

Contact Jacqueline Saretsky to register at jsaretsky@rcdos.ca. Or call 306 659-5839. Refreshments will be provided.
