Music Ministry Help Needed:

All of St. Anne’s regular Music Ministry leaders take well-deserved time off over the summer months. Due to this, there is a huge need for anyone who might want to contribute to Music ministry for any of the summer weekend Masses. If you’re interested please contact Ken Neitz at kneitz@rcdos.ca

Parish Giving: St. Anne’s Parish staff wish everyone a blessed, joyful summer season. As many make plans for holidays, please prayerfully consider the financial needs of our parish. Pre-authorized and weekly envelope giving support the needs of the parish year-round as we continue to grapple with inflationary cost increases and maintenance planning. Please use the PAG forms in the welcome area or contact Trina in the office if you have questions about how to start or increase your giving. We are truly thankful for your stewardship.

16th Sunday in Ordinary Time – July 19th, 2026

Weeds in the Garden of Life.- Fr. Joseph Juknialis

We humans are a curious lot, a mixture of wheat and weeds, sin and grace, tolerance and intolerance. Uproot one, and you might uproot the other as well. The one who is guarded and may seem superficial may also be the one who is fun to be with and makes us laugh. The one who is terribly impractical may also be the creative dreamer. The penny-pincher who finds it difficult to spend and enjoy life may also be the one who calms our own spending and encourages us to save.

The kingdom of heaven, says the parable, is about God, who allows the wheat and weeds to grow together; God, who recognizes in each of us both good and evil and is able to love us that way. Some find it difficult to tolerate those who are still growing in the faith.

Over the years, there have been different litmus tests to determine the truly faithful ones—usury and the lending of money for interest, being part of the military, nuclear arms use, the prohibition and use of alcohol, birth control, divorce. Consider the Inquisition, when heretics were burned at the stake. Being believers does not mean any of us perfectly lives out the ideal. God seems more tolerant of us than we are of one another. We vessels who hold the treasure of faith grow at our own pace, each quite differently. It is God who does the ultimate sorting, willing to gather the wheat from our personal gardens and leave the weeds behind.
